WALTER E. WASHINGTON CONVENTION CENTER AND PROJECTION RENEW CONTRACT FOR AV SERVICES

WASHINGTON, DC – Projection Presentation Technology and Events DC, the official convention and sports authority for the District of Columbia, have renewed their contract for audiovisual services at the Walter E. Washington Convention Center (WCC).

“Events DC is proud of our long-standing relationship with Projection Presentation Technology,” said Samuel Thomas, Senior Vice President and General Manager of the WCC. “As we celebrate ten years as partners, Projection has consistently brought an unwavering commitment to exceeding customer expectations. Their ability to understand evolving service needs and solve complex production opportunities, continues to makes them uniquely qualified to be our partner.”

Projection has been the in-house audiovisual vendor for the WCC since the Center opened its doors in 2003, and will now be providing services for at least another five years.

“With competition growing, and the demand for facilities to provide customers with economic value through technological requirements,” said Samuel, “there continues to be a growing need to drive innovation. Projection Presentation Technology not only drives dynamic innovative ideas, it provides sustainable development solutions. We are excited that Projection will continue to be a partner that shares the vision of the Walter E. Washington Convention Center and our commitment to ensuring we remain a world-class event industry leader.”

About the Walter E. Washington Convention Center

The Walter E. Washington Convention Center is equipped to handle events of all sizes, from small groups and break-out meetings to events for 500 to 42,000 attendees. One of the most energy-efficient buildings for its size, the Convention Center includes a range of mixed-use exhibit spaces, 198,000 square feet of flexible meeting space with a total of 77 break-out rooms and the largest ballroom in the region.
